

Battente - Modulo per TV

Hinged doors wardrobes - TV module

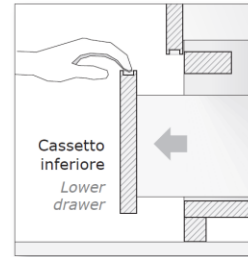

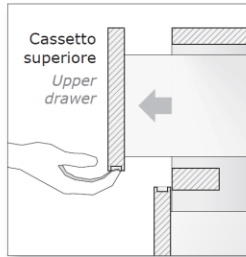

Il modulo per TV è stato progettato per ospitare un televisore con dimensione massima di 37" con modulo L. 89,4, o 40" con modulo L. 111, ed apparecchi elettronici grazie ad un ampio vano a giorno con ripiano divisorio.

The TV module is designed to accommodate a television with maximum size of 37" on module W. 89,4, or 40" on module W. 111, and electronic equipments thanks to a large open compartment with a separating shelf.

Il vano superiore non necessita di maniglie: l'anta può essere aperta tramite un incavo tra anta e ripiano.

the upper compartment do not require handles: the doors can be opened with a cavity between the door and shelf.

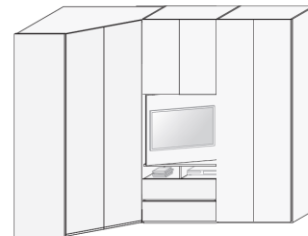

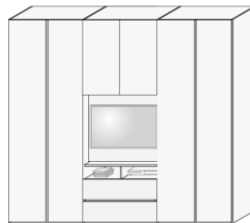

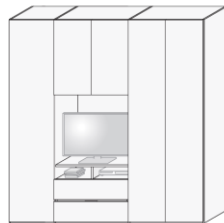

I frontali dei cassetti H. 30 cm sono distanziati di 2,5 cm. l'apertura avviene tramite delle cavità presenti sotto il frontale del cassetto superiore sopra il frontale del cassetto inferiore.

The fronts of the drawers H. 30 cm are spaced 2.5 cm. the opening occurs through cavities located below the front of the upper drawer and above the front of the lower drawer.
